

Place.- Mallorca in April
Thursday afternoon and Friday
Program

Thursday

3-4 session commercial house
4-5 sessions best company presentations Spain
5-6 commercial house session

Friday

9-10 commercial house session
11-12 session best company presentations France
12 -13 commercial house session
food
14-15 session best company presentations Italy
15-16 commercial house session

You have to adjust hours to breaks and if you think we delay something. finishing at 4-5
everyone has time to go home on friday

There are topics where several houses are interested.- endoscopy, tether, navigation
templates. We will have to see how we can give it exclusively to a house

All commercial houses close budget this month, so we should get something out as soon as
possible, even if it is a sketch

I had thought that the 3 scientific societies would share the benefit in half
We will do the course every 2 years, so the commercial houses, being an international event,
would be very interested.

We have done this type of congress last year with the Nass in this format and it is very
interesting for the members and for the companies.

We could have a Zoom meeting

keep moving
